

Student Contract

Skyline Robotics Club

I acknowledge that I have read, understood, and will accept the rules governing requirements to be a Robotics Club member as defined below:

- Pay robotics club member dues \$40 per school year (to be paid in full by October of each school year).
- Parents of students are strongly encouraged to help volunteer and support the club.
- Create an account in Trello to sign up for club activities and tasks and earn points.
- Complete the tasks signed up for on Trello.
- Attend team meetings as needed to complete your tasks (10 points per meeting).
- Must earn 1000 points in order to attend the FIRST robotics competition in March
- Record task completion and have a mentor sign off and assign points.
- Sign into meetings.
